“After the Resurrection”

Acts 1:1-3, Harmony of the Gospels

1. Describe the range of emotions Jesus’ disciples must have experienced from His death, to His resurrection, and then to His ascension.
2. Read Luke 24:25-27. Why do you think Jesus took the time to walk through the Scriptures with these men instead of just revealing to them His true identity?
3. What are some of the dangers of expecting God to act and respond in a way not directly stated in Scripture? What happens when our faith is based on how we think God should respond instead of just on God Himself?
4. One of the observations from the Emmaus account is that Jesus is present with us even when we don’t realize it. As we think about COVID-19, have there been any instances when you failed to recognize the Lord’s presence?
5. What are some of the things Jesus was doing for His disciples during the 40 days after His resurrection? And, in what ways do those 40 days bring encouragement to you?
