**John 9:8-34**

- 1.** What are some of the ways that the Pharisees demonstrate unbelief and spiritual blindness in this week’s passage?
- 2.** Consider the fear expressed by the parents in v. 22. What is the result of this man’s confession of faith in Jesus as One who has come from God? And, what does this teach us about the cost of following Jesus?
- 3.** The man from our text was formerly a blind beggar who was healed by Jesus, while the Pharisees had their physical vision but could not see their spiritual need. Contrast the responses of the two from our text.
- 4.** Read 1 Corinthians 2:12-14. Since unbelief and spiritual blindness are directly connected, what is the remedy, and who is the only One who can provide it?
- 5.** We all know people who are not believing upon Jesus for salvation. What steps can we take to help them see their need for Jesus as Savior and Lord? (See 2 Corinthians 4:4-6, Romans 10:17)
