“The Way, the Truth, and the Life”

John 14:1-6

1. What does this passage reveal about the heart of Jesus, especially when we consider what He is about to endure?
2. What solution does Jesus offer in verse 1 to fight fear and anxiety in times of chaos and uncertainty?
3. Notice that the solution Jesus offers is not merely negative (i.e., don't do something), but it is also positive. What is it that Jesus urges His disciples to trust in and dwell on in verses 2-3?
4. Why can the disciples have confidence even though Jesus is leaving?
5. Why is Jesus' answer to Thomas in verse 6 often considered offensive and exclusive? How does this text confront our pride, independence, and self-confidence?
6. **Questions for Personal Reflection:** Are you growing in affection for Jesus so that you have a desire for heaven? If not, what things in your life have become distractions to eternity? Take some time to get alone with the Lord this week to repent, refocus, and rejoice.
