Life Application Questions

December 10, 2023

Genesis 49: 8-10

1. How does the prophecy regarding Judah differ from Jacob's other sons? What significance do these differences mean in light of the promised Messiah?

2. What connection does Genesis 49:9 have with Revelation 5:5? What symbolism was used and what reality does it hold for the Christian?

3. What does a deeper understanding of the genealogies of Christ reveal about God and His plan of redemption? How does this further your praise of God?

4. Who should the full obedience and the allegiance of the Christian belong to before anything or anyone else? Why does this need to be non-negotiable in the current climate of the day?
